

Arizona Gynecology Consultants (AGC) is hiring for our **Advanced Practice Fellowship**. We are looking for a committed individual who is interested in a career of clinical excellence with an interest in academia and research.

Arizona Gynecology Consultants is a provider of non-obstetrical women's health in the central Phoenix area with offices in Paradise Valley, North Phoenix, and Mesa (Satellite office in Prescott). Our focus is on pediatric, adolescent, and adult gynecology, infertility (not including IVF services), surgical disorders of the reproductive tract and menopausal medicine. We also serve as primary care providers for many of our patients.

The clinical responsibilities would include consultations (surgical, hormonal, contraception), well care visits, and pre/post-operative management of surgical patients. This position was designed for recent graduates or individuals looking to advance their skills in gynecology.

The position is for one year of supervision from our clinical and surgical specialist's learning the broad spectrum of clinical and surgical care for medically complex patients. The goal is to graduate you into a full-time position with the practice.

Additional Job Details: Qualified candidates must have a terminal degree (WHNP, FNP, PA) and have passed board certification.

Qualified candidates should submit a letter of interest, CV, and names of three references to Kristina Calligan at kcalligan@azgyn.com
